# ENGINEERING CLUB

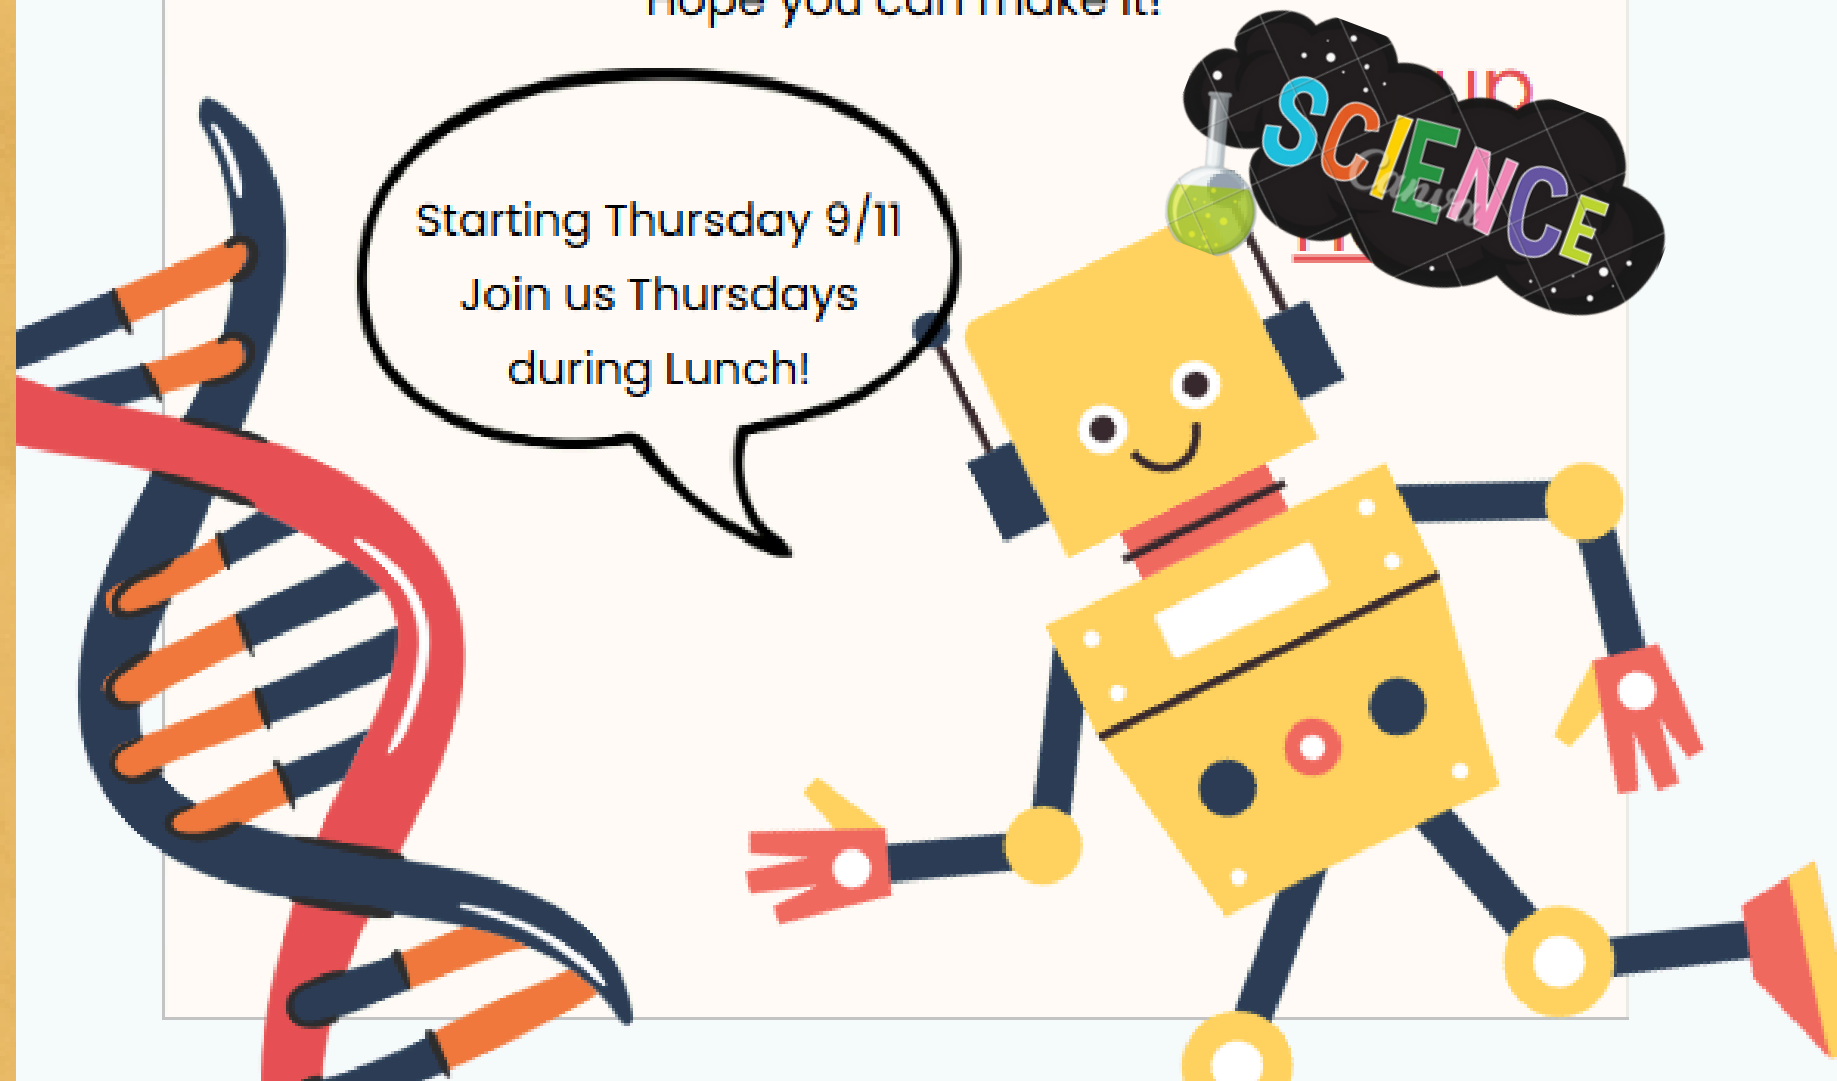

This club will introduce students to the world of engineering through exploration of the various fields and applications of engineering. We will also have fun with games and trivia, and do some at home engineering "labs".

Open to Middle School and High School Students

For this week's project, bring two sheets of paper (8"x11.5")

Hope you can make it!

Starting Thursday 9/11  
Join us Thursdays  
during Lunch!

Whiteboard or other Engageli Tools

The background is a vibrant blue with a crumpled paper texture. Scattered around the central text are various white line-art icons: a star in the top left, a pair of scissors at the top, a lightbulb on the right, a rainbow on the left, a target at the bottom center, a spiral notebook at the bottom right, and a starburst at the bottom right. There are also abstract shapes like a cloud and a jagged line. The text "WELLNESS WEDNESDAY" is centered in a bold, white, sans-serif font.
